TWO PEOPLE ARRESTED FOR BURGLARY IN SOUTH ELMHURST

On Friday, April 22, 2016 at 3:30 a.m., Elmhurst police responded to a report from a homeowner who had confronted a male subject inside the attached garage of his residence in the 300-block of Hill Street. As police arrived, they discovered an occupied white Buick with an adult male in the driver's seat a short distance away. The driver told police that he had an accomplice who was still on foot. In a subsequent search of the area, a police K-9 located a juvenile subject hiding inside the attached garage of another residence in the 300-block of Hill Street.

Investigation subsequently revealed that the offenders had entered an unlocked car in the driveway of the first house and used the garage door opener to gain entry into the occupied house. The juvenile offender then discovered an unlocked door of a home a few houses away and entered that home while the residents were asleep. The juvenile offender took cash and other valuables from the residence before being captured by the Elmhurst police in the attached garage.
