### **Section 2 – Additional Information**

**For period ended 4/30/10**

**1) Additional information on the use of all funds received under this Division and steps taken by the municipality to achieve the objectives of the redevelopment plan**

During fiscal year 1996-97, the City sponsored special assessment infrastructure improvements were completed. The work included 40' wide concrete industrial park street improvements to Walnut and Thomas. Fullerton and Lake Street frontage road were reconstructed in asphalt. The work included street lighting and new water, sanitary and storm sewers as necessary. During fiscal year 2005/06, the City expended \$46,753 for the Public Benefit portion of this project. This was the final payment of the special assessment.

The City of Elmhurst has entered into a loan agreement (Letter of Credit) with a consortium of local lending institutions headed by Fifth/Third Bank, Elmhurst. This agreement, entered into as of July 31, 1994, provides for up to \$4.5 million dollars to be made available to the City on a "draw-down/as needed" basis for purposes appropriate to achieve the objectives of the redevelopment plan. During Fiscal Year 2009, the City and Fifth/Third Bank entered into an agreement to modify and extend the term of the loan until July 31, 2011. During F'Y 2009, the City paid \$655,000 in principal and \$10,474 in interest expense and as of April 30, 2009, the outstanding balance due (for TIF II) is \$29,301. **During the current fiscal year, the City paid off the remaining balance of \$29,301 in principal and \$152 in interest expense.**

During the fiscal year 2004/05, the Lake Street Redevelopment Fund borrowed \$375,000 from the Working Cash Fund for the purpose of facilitating a surplus declaration in the Lake Street Redevelopment Fund. The surplus declaration of \$688,587 to all taxing bodies provided the necessary funds for School District #205 to meet the goals of the Intergovernmental Agreement between the City and District #205. During fiscal year 05/06, the TIF Fund repaid \$330,413 in principal and \$15,884 in interest expense. During the prior reporting period (FY06/07), the TIF Fund paid the outstanding Working Cash Fund loan balance of \$44,587 and interest of \$296.

## MINUTES OF JOINT REVIEW BOARD MEETING

December 14, 2009

6:00 P.M. – Elmhurst City Council Chambers

Annual Joint Review Board (JRB) Meeting - Fiscal Year 2008/09\*

- Central Business District Redevelopment Project (TIF I)
- Lake Street Redevelopment Project (TIF II)
- Rt. 83/St. Charles Road Redevelopment Project (TIF III)

Board Members Present:

William Gooch, Public Member (TIF I)  
Susan Rose, City of Elmhurst (TIF I)  
Mark Mulliner, City of Elmhurst (TIF II)  
Cathy Medema, Elmhurst Park District  
James Collins, Elmhurst Comm. Unit School District 205  
John Wandolowski, College of DuPage

Others:

Thomas Borchert; Marilyn Gaston; Brian Baugh;  
Thomas Trosien; Mike Kopp; John Said;  
Dr. Lynn Krizic; Patricia Masterton.

City Manager Borchert welcomed everyone and explained that the annual meetings to review the activity of the three Tax Increment Financing (TIF) Districts during the past year (report for fiscal year ending April 30, 2009) are required by law and he reviewed the make up of the three Joint Review Boards (JRB). City Manager Borchert thanked the public members for their participation and also noted that a power point presentation was again prepared for the Board meeting to assist in communicating the status of TIF in Elmhurst (hard copy attached).

City Manager Borchert started the discussion of TIF I by reviewing the original project area of the TIF District and the amended project areas and remaining EAV due to the release of parcels in 2004, 2006 and 2007. Additional highlights noted during the TIF I review included the following: beginning fund balance of (\$32,684), ending negative fund balance of \$(119,661) will be paid by future revenues; expenditures listed in Section 3.2.A included SSA payments (Other Expenses) and Palmer Drive roadway improvements (Other Public Improvements); vendor payments in excess of \$10,000 included Palmer Drive and Retail Grant improvement payments; acquisition of one parcel next to the 180 W. Park Building;

designated project costs exceed fund balance by \$12,977,256 so no available surplus; the continuation of the Harris Bank/Elmhurst Pointe project on Third Street; completed and future streetscape projects; and the report is compliant with TIF Act with all appropriate certifications and schedules. There were no questions on the TIF I presentation.

Highlights noted during the TIF II review included the following: map of area and Ordinance establishing TIF; beginning fund balance of \$25,011, ending fund balance of \$14,286, no outstanding obligations as of April 30, 2009, the line of credit outstanding balance of \$29,301 was paid during this fiscal year, annual property tax increment is approximately \$650,000; City desires to distribute surplus as appropriate instead of closing TIF and staff to work with Mayor/City Council on possible surplus distribution in May; and the report is compliant with TIF Act with all appropriate certifications and schedules. Based on a question from the JRB, staff noted that School District #205 would receive approximately 70% of any surplus distribution.

The review of TIF III included the following: map of area and Ordinance establishing TIF; explanation of the original commitment to distribute increment for EAV growth up to 3%; distributions to date for the 3% EAV growth total \$560,000 with approximately \$440,000 going to School District #205; beginning fund balance of \$(710,463), ending fund balance of \$(462,956), no surplus due to negative fund balance; one remaining parcel to be purchased; and the report is compliant with TIF Act with all appropriate certifications and schedules. In response to a question from a JRB member, it was noted that TIF III started in 1996. Based on a question from the JRB regarding the distribution of increment for EAV growth up to 3%, City Manager Borchert explained that no distributions would be made if there was no increase in EAV. City Manager Borchert also noted that there could be future development of one of the out lots.

Meeting adjourned: 6:28 P.M.

\* All three JRB meetings were held simultaneously

Submitted by: Thomas W. Trosien, Assistant Director of Finance
