Treasure Report – Patty was unable to attend, will follow up in December with updated report after Chris Herren event.

Screenwise wrap up – Discussion about hosting Dr. Heitner. The event was a lower turnout than we expected, approximately 35-40 people. However the Cubs playing could've had something to do with it. Those that attended felt the presentation was well received. Content was fitting to the needs of our community. In the future, double check audio as the mics seemed too loud.

Chris Herren November program update – Jackie gave an update on the schedule for 12/29 and 12/30 events for Chris Herren's presentations. Meeting with York this week to finalize timing and details. Jan working on travel arrangements. He will stay at Hilton Suites and use Athena car service. She's waiting for final times after meeting at York. Dannee discussed extra prescription drop off she was able to arrange with police chief. It'll be held on Sat. 12/3 from 9am – 1pm. Commissioners could help 11/29 by greeting people into the gym and q&a session with mics.

Job/Volunteer fair – March 23rd – Jackie will reach out to past partners of Park District, Kiwanis and Elmhurst Juniors. Begin to think about if you want to be on the committee for this event.

Exemplary Youth Service Awards – April 26th – Nomination link went in the front porch. Jackie will meet with a Jenny and Madonna at city hall to have the forms submitted with mandatory fields and so that a mail merge can be done. Begin to think about if you want to be on this committee for the event.
