

**CONSULTANT'S DISCLOSURE STATEMENT**

**PTB #:** \_\_\_\_\_

**Firm Name:** \_\_\_\_\_

**RETURN WITH STATEMENT OF INTEREST**

**DISCLOSURES**

**A.** The disclosures hereinafter made by the firm are each a material representation of fact upon which reliance is placed should the Department enter into the contract with the firm. The firm further certifies that the Department has received the disclosure forms for each statement of interest.

The IDOT Chief Procurement Officer (CPO) may void the offer or contract if it is later determined that the firm or subconsultant rendered a false or erroneous disclosure. A consultant or subconsultant may be suspended or debarred for violations of the Procurement Code. If a false certification is made by the subconsultant, then the consultant's submitted offer and the executed contract may not be declared void, unless the consultant refuses to terminate the subcontract upon the State's request after a finding that the subconsultant's certification was false.

**B. Financial Interests and Conflicts of Interest**

1. Section 50-35 of the Illinois Procurement Code provides that all offers of more than \$50,000 and all subconsultant agreements with an annual value of more than 50,000 shall be accompanied by disclosure of the financial interests of the firm. This disclosed information for the successful firm will be maintained as public information, subject to release by request pursuant to the Freedom of Information Act, filed with the Procurement Policy Board, and shall be incorporated as a material term of the contract. Furthermore, pursuant to Section 5-5, the Procurement Policy Board may review a proposal, bid, or contract and issue a recommendation to void a contract or reject a proposal or bid based on any violation of the Procurement Code or the existence of a conflict of interest as provided in subsections (b) and (d) of Section 50-35.

The financial interests to be disclosed shall include any ownership or distributive income share that is in excess of 5%, or an amount greater than 60% of the annual salary of the Governor, of the offering entity or its parent entity, whichever is less, unless the firm is a publicly traded entity subject to Federal 10K reporting, in which case it may submit its 10K disclosure in place of the prescribed disclosure. If a firm is a privately held entity that is exempt from Federal 10K reporting, but has more than 100 shareholders, it may submit the information that Federal 10K companies are required to report, and list the names of any person or entity holding any ownership share that is in excess of 5%. The disclosure shall include the names, addresses, and dollar or proportionate share of ownership of each person making the disclosure, their instrument of ownership or beneficial relationship, and notice of any potential conflict of interest resulting from the current ownership or beneficial interest of each person making the disclosure having any of the relationships identified in Section 50-35 and on the disclosure form. **The current annual salary of the Governor is \$177,412.00.**

In addition, all disclosures shall indicate any other current or pending contracts, proposals, leases, or other ongoing procurement relationships the offering entity has with any other unit of state government and shall clearly identify the unit and the contract, proposal, lease, or other relationship.

2. Disclosure Forms. Disclosure Form A is attached for use concerning the individuals meeting the above ownership or distributive share requirements. Subject individuals should be covered each by one form. In addition, a second form (Disclosure Form B) provides for the disclosure of current or pending procurement relationships with other (non-IDOT) state agencies and a total ownership certification. **The forms must be included with each statement of interest.**

**C. Disclosure Form Instructions**

**Form A: Instructions for Financial Information & Potential Conflicts of Interest**

If the firm is a publicly traded entity subject to Federal 10K reporting, the 10K Report may be submitted to meet the requirements of Form A. If a firm is a privately held entity that is exempt from Federal 10K reporting, but has more than 100 shareholders, it may submit the information that Federal 10K companies are required to report, and list the names of any person or entity holding any ownership share that is in excess of 5%. If a firm is not subject to Federal 10K reporting, the firm must determine if any individuals are required by law to complete a financial disclosure form. To do this, the firm should answer each of the following questions. A "Yes" answer indicates Form A must be completed. If the answer to each of the following questions is "No", then the **NOT APPLICABLE STATEMENT** on Form A must be signed and dated by a person that is authorized to execute contracts for the offering firm. Note: These questions are for assistance only and are not required to be completed.

1. Does anyone in your organization have a direct or beneficial ownership share of greater than 5% of the offering entity or parent entity?  
YES  NO

2. Does anyone in your organization have a direct or beneficial ownership share of less than 5%, but which has a value greater than 60% of the annual salary of the Governor? YES  NO
3. Does anyone in your organization receive more than 60% of the annual salary of the Governor of the offering entity's or parent entity's distributive income? YES  NO

(Note: Distributive income is, for these purposes, any type of distribution of profits. An annual salary is not distributive income.)

4. Does anyone in your organization receive greater than 5% of the offering entity's or parent entity's total distributive income, but which is less than 60% of the annual salary of the Governor? YES  NO

(Note: Only one set of forms needs to be completed per person per statement of interest even if a specific individual would require a "Yes" answer to more than one question.)

A "Yes" answer to any of these questions requires the completion of Form A. The firm must determine each individual in the offering entity or the offering entity's parent company that would cause the questions to be answered "Yes". Each form must be signed and dated by a person that is authorized to execute contracts for your organization. **Photocopied or stamped signatures are not acceptable.** The person signing can be, but does not have to be, the person for which the form is being completed. The firm is responsible for the accuracy of any information provided.

If the answer to each of the above questions is "No", then the NOT APPLICABLE STATEMENT of Form A must be signed and dated by a person that is authorized to execute contracts for your company.

### RETURN WITH STATEMENT OF INTEREST

#### **Form B: Instructions for Identifying Other Contracts & Procurement Related Information**

Disclosure Form B must be completed for each statement of interest submitted by the offering entity. *Note: Checking the NOT APPLICABLE STATEMENT on Form A does not allow the firm to ignore Form B. Form B must be completed, checked, and dated or the firm may be considered nonresponsive and the statement of interest will not be accepted.*

The firm shall identify, by checking "Yes" or "No" on Form B, whether it has any pending contracts (including leases), statements of interest, bids, proposals, or other ongoing procurement relationship with any other (non-IDOT) state of Illinois agency. If "No" is checked, the firm only needs to complete the check box on the bottom of Form B. If "Yes" is checked, the firm must identify each such relationship by listing the state of Illinois agency name and other descriptive information such as project number, title, contract, etc.
