**QBS Results for  
City of Elmhurst Metra Station  
Architectural Design & Phase II Engineering Services**

The City of Elmhurst issued a request for qualifications for professional services from qualified architecture and site engineering design teams to provide Architectural Design and Phase II Engineering design services with the option of providing Phase III design and construction engineering services for the reconstruction of the Elmhurst Metra Station and associated site improvements. The request was open for four weeks on the City website and ended on August 10, 2018.

All of the submittals were evaluated using the City of Elmhurst's Qualification Based Selection Policy and Procedure, in compliance with IDOT, and the top three firms are as follows;

1. CDM Smith
2. Transystems
3. Wight
