Private Sanitary Service Line Repair Cost Share Request

Homeowners are responsible for the maintenance (including root damage) of the sanitary sewer line from their home to the City’s sanitary sewer main. The City of Elmhurst provides a one-time only reimbursement to homeowners at 50% of the costs for private sanitary sewer line repairs within the City right-of-way, not to exceed \$2,000. Homeowners are required to hire their own contractor and obtain applicable permits. Normal root cutting and sewer rodding are not covered.

All invoices to be considered for reimbursement must include the following details pertinent to the City right-of-way (sidewalk to the sanitary sewer main).

1. A detailed description of the job, including:

Date: _____
Homeowner: _____
Address of repair: _____
Contractor: _____ Phone: _____
Address: _____
Work detail: _____

2. A breakdown of the materials used between the property line and the main:

Type of pipe or liner: _____
Size: _____ Length of repair/liner: _____ Depth: _____
Right-of-way cost only: _____

3. Details on the quantity of the right-of-way excavation and backfill materials:

Excavated amount: _____ Backfill amount: _____
Type of backfill: _____

4. Costs for the work and a copy of the “Paid” invoice shall be attached to this form.

Please call Community Development at 630-530-3030 if you have any questions.
